Dear Mr. Regge Life,

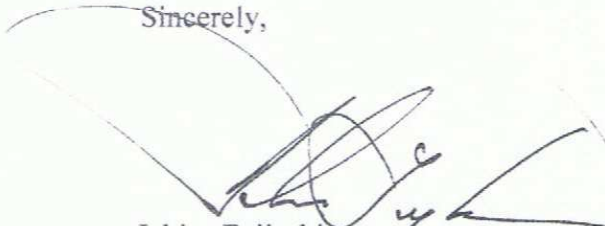

It was my great honor to attend the panel discussion and the premiere of "Live Your Dream: The Taylor Anderson Story". I was greatly moved by your wonderful, inspirational film celebrating the life of Taylor.

Taylor will forever be remembered as an extraordinary symbol of friendship between Japan and the United States.

I wish you the best of luck and I hope to meet you again in the future.

Sincerely,

*It was a great movie.
Thank you for filming it. I think
it will become a common asset
for those people who would be our
future bridges!
Thank you again.*
